<b>Stipulations, Conditions, Variances:</b>		

*No building or structure, in whole or in part, shall be used or occupied until the building official has issued an approval in the form of a certificate of occupancy . The certificate of occupancy shall indicate the conditions under which the building shall be used. The building owner shall only use the structure in compliance with the certificate of occupancy and any stated conditions. The structure and all approved building service equipment shall be maintained in accordance with the approval. When a building or structure is entitled thereto, the building official shall issue a certificate of occupancy.*

If Certificate of Occupancy fee was not paid with the initial submission of plans the fee is \$65.00 + 3% BBS = \$66.95 and the fee must be paid prior to certificate being issued.
