

Zoning Verification Request Form

A Zoning Verification Letter is a document provided by the Perkins Township Planning and Development Department to confirm the zoning designation of a property. If requested, the letter can be accompanied with a list of allowable uses.

A separate request form and fee is required for each property. The non-refundable fee for a Zoning Verification Letter is \$25 made payable to Perkins Township. All requests must be submitted in person or by mail. Make sure to fill out this form completely, provide the appropriate information, and include full payment to avoid delays. Please allow approximately ten (10) business days for processing of your request
