## **BUILDING DEMOLITION INFORMATION AND REQUIREMENTS**

This policy is generated to provide general policies and procedures for the approval of entire building demolition when no new construction is part of the scope of work. Partial building demolition is considered a building alteration project, which is reviewed under the regular application for building plan approval.

### **Other Agencies' Requirements:**

- Building demolition shall comply with provisions for pedestrian protection, adjoining property protection, vacant lot conditions, water accumulation, and utility disconnections in accordance with the current Ohio Building Code.
- **The Ohio EPA Division of Air Pollution should be notified for commercial demolitions** even if no asbestos or other hazardous materials are present. Contact Ohio EPA at 419-373-3058. Notification forms can be obtained at [www.epa.ohio.gov](http://www.epa.ohio.gov).
- **The Ohio Department of Health should be notified** if more than 50 lineal feet of 50 square feet of asbestos is present. Contact the Ohio Department of Health at 614-466-0016. Notification of abatement forms can be obtained at [www.odh.ohio.gov](http://www.odh.ohio.gov).
- **Always contact the Perkins Township Fire Department prior to demolition.** Contact the Perkins Township Fire Marshall at 419-626-1334.

### **Building Demolition Requirements:**

- **Application form:** Complete and submit one copy of the "Application for Building Demolition," as well as appropriate fees for each building.
- **Obtain zoning approval** for building demolition.
- **Indicate** the plan for finished site grading shall be shovel-ready for new construction and seeded with grass or paved, hard, surface (i.e., asphalt or concrete).
- **Fees:** Building demolition approval fees are as listed on application.
- **Plan requirements:** Submit **one (1) paper copy and an electronic file** of construction plans and documents (**plans are NOT necessarily required to be sealed by an Ohio-registered design professional**), at a minimum, shall include the following:
  1. **Site details:** Construction documents shall show the location of the building to be demolished, location of adjacent buildings and their means of egress, details of pedestrian protection/barriers, as well as dimensions to the interior property lines and/or streets. Fire Department access shall be maintained.
  2. **Building details:** The plans shall indicate the extent of the removal of the building footings/foundations, specifications on back-fill materials, ground elevations/topography after completion, means of preventing water accumulation, adjacent property protection, utility capping/disconnection information, etc.
  3. **Owner affidavit:** An affidavit signed by the building owner shall be provided stating that they are aware of and are authorizing the submission of this demolition application.

**Once documentation has been reviewed and approved, you will receive notification regarding the procedure to schedule inspections.**
